Our plan will be to discuss the state of business in our community as we are currently adjusting to the new economy presented by Covid.

What to do with the PPP/EIDL Funds for forgiveness or not yet spent in your organization?

What to expect with auditing as we move near-final deadlines?

What risk threshold adjustments might we plan for?

What to expect with employee work from home policy or lack there-of?

What additional liability should we expect moving forward with customers and employees with Covid and the workplace?
